## Images of Outpatient “Day” Surgeries

Mayor’s office informed SAFA on June 29, 2015 that this Eye Surgery Center that was the benchmark used to make a Material Similar Use decision is not even zoned C-1 but is actually zoned C-2.

Image of a Lasik Eye Surgery procedure (above) versus an image of an Abortion Surgery on a 20 week old unborn (below), decided by the City of San Antonio Development Services Department to be a material similar use for zoning and land-use as they both are outpatient “day” surgeries. **Do you think they look similar?**

**Won’t you help us fight this unjust zoning in our city?**

## **WHAT ARE WE ASKING YOU, MAYOR IVY TAYLOR AND CITY COUNCIL MEMBERS, TO DO?**

1. Remove the Development Services' re-definition of an Ambulatory Surgical Center from the ASC Amendment to the Unified Development Code because the Re-Defined ASC Amendment will allow future ASC Abortion Facilities to be located next to residential neighborhoods. **OR YOU MUST,**
2. Vote "NO" on the Re-defined ASC Amendment to the UDC following the City's Zoning Commission's NON-Recommendation of it!
3. **It's vital that you understand the a vote for the RE-DEFINED ASC AMENDMENT is a vote for 'Planned Parenthood' and a vote to EXPAND SURGICAL ABORTIONS throughout San Antonio! Your vote will put you on record for voting on a change to the City's zoning that directly impacts surgical abortion. If you've ever said that you are pro-life then you need to vote "NO"!** |
