SAFA 12th Annual Charity Dove Hunt benefiting GRN 89.7 FM

Mission: To promote family and freedom

Vision: Through the right to bear arms and to feed our families, we will utilize the Texas Dove Season to create an opportunity to help the “salt of the earth” feed their family for a day and through The Word of God feed their family for eternity so they can place God at the center of their life and thereby experience His joy. This event will be designed to grow Texans closer to God through the use and promotion of Catholic Radio, EWTN and GRN.

Values: Peace through strength, yes, and candidly, the 2nd Amendment ensures the protection of the 1st Amendment. The 1st Amendment allows for the airwaves to continue to be utilized by GRN to broadcast and teach the fullness of truth about Jesus Christ, His Church and His Good News. Moreover, it is through this knowledge and understanding of The Word that people can obtain authentic peace which is only attained by unity with Jesus and the overcoming of one’s own inclination to sin. GRN can be a tool to inspire people to pursue and obtain salvific grace through The Church.

Goals:

1. Raise money to help further the listenership power and prestige of GRN and the mission of SAFA
2. Create an opportunity for a good and bountiful hunting experience combined with wholesome fraternal time
3. Share the Good News of Jesus Christ through the introduction of and by listening to GRN which is a fantastic, faithful, teaching tool to the “salt of the earth” to become doers of The Word persevering through love via a casual and fun fundraiser that also embraces a fundamental right of Americans in the 2nd Amendment
4. Give Priests and Seminarians an opportunity to have a relaxed fraternal time together and social time with the laity
5. Create an opportunity for evangelization and catechesis for all to grow in knowledge and desire to renew themselves in God (i.e., GRN Radio, corporal works of mercy and proper disposition of Sacramentals)
6. Promote the San Antonio Family Association (SAFA) and its mission to protect, defend and promote the family in San Antonio (<http://sanantoniofamilyassociation.com/> or www.facebook.com/SanAntonioFamilyAssociation)
7. Work to fight against a culture of indifference and to bring about a new culture of life, liberty, marriage, family and free markets for human flourishing and long-term domestic prosperity
8. Share important and pertinent information about attacks on the family
