The General Election is a contest between Candidates of Political Parties. Based on the Platforms of the Parties, the Republican Party is currently the one that has a Platform closest to Pro-Life, Liberty, Marriage, Family, and Free Markets that will lead to human flourishing and long-term domestic prosperity. Take this into account on races where no recommendation exists. Also, uncontested races might not be listed due to space issues.

Vote on Election Day to minimize any potential vote manipulation.
